

VEASFY v PERRY 2:13-cv-197 CORPUS CHRISTI

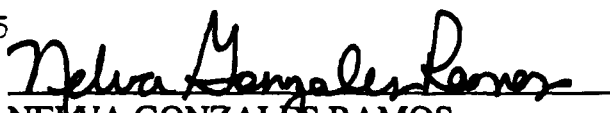

40+ docket entries from me.

Permissive intervention under Fed. R. Civ. P. 24(a)(1) is a matter entrusted to the Court's discretion. *New Orleans Public Service, Inc. v. United Gas Pipe Line Co.*, 732 F.2d 452, 470-71 (5th Cir. 1984) (en banc). True the Vote does not claim a conditional right to intervene by federal statute, so the question for the Court is whether it "has a claim or defense that shares with the main action a common question of law or fact." FED. R. CIV. P. 24(b)(1). The Court finds that True the Vote's intended contribution to this case may be accomplished without the necessity of, or burden incident to, making it a party. The Court, instead, will duly consider any motion for leave to file briefing as *amicus curiae* that True the Vote may feel compelled to file.

For the reasons set out above, the Court DENIES the Motion for Intervention of True the Vote (D.E. 38) in its entirety.

ORDERED this 11th day of December, 2013.

I suggest a limited voting backup ballot for the Texas and other State Houses where there may be problems with pay-to-play primary winners. This ballot may promote a good behavior by winners and inhibit tyranny and mayhem. Is violence the price of liberty?

BNPCC SDP staff seem to want direction from the Knox County Court on questions: Should I be kept from Reliving old claims in SDP Group? I did not tape the then 12-year old neighbor boy who came up to me and asked "Did I have some money before I gave him 30c and about six boys and girls taunted me and threw stones."

I did not videotape neighbor boys who felt me up and said on the tape the camera didn't work.

I have written similar questions to Illinois Legislators particularly ones near Ida and Galesburg and members of the State Judicial and Criminal Committees.

Are these facts resolved by prior verdicts?

Can a judge keep me from taking these facts to a jury?

Section 9 of the SDP Act provides: The court shall consider (not merely give lip service to) relevant facts submitted by or for such applicant.

VEASEY v PERRY 2:13-193 CORPUS CHRISTI
Allensworth C/O CLE 200 S. C

I am still suspended from SDF group until May 20 15 for
having my eyes closed in group.

I still want to talk in group about relevant facts including
I did not lure the then 12-year old neighbor boy who came up
to me and asked did I have some candy before I gave him 20¢
and the six boys and girls teased me and threw stones.

I submitted this fact at my Nov 1996 preliminary hearing
before ~~PUKLEY~~ and officer Detentler

SDF STAFF SAY THESE ARE COURT, NOT GROUP ISSUES!

Judge Sainlett is treating a deaf cop and blind eye to facts
not resolved by a judgment call. THESE ARE COURT ISSUES!

I also did not videotape neighbor boys who said the cop
didn't work. SDF STAFF WON'T LET ME TALK IN GROUP ABOUT THIS!

I am writing Louisiana newspapers I want a Louisiana

Re: filed Mar 10 to Kelly Chapman
I filed recovery applications in Sep 2012 & Aug 2013.
I want progress on them. A judgement call is not a "fact."
Judge Shipplett seems hung up on misperceptions and lies.
I want to buy and use unstamped envelopes and stamped postcards
from the FMBCC commissary. Both are on the IDOC approved list
for all security levels.
